Experience the ultimate peace of mind with a Blue Flame Membership

Our memberships

What would you do if your boiler broke in the middle of a dark, winter's night?

For many, this is a nightmare scenario; being left in the cold, unable to get hold of someone for an extended period of time. Whether you're a private homeowner or landlord, or you run a business, taking out boiler and central heating cover to ensure you or your tenants stay nice and toasty is a no-brainer.

Becoming a Blue Flame Member provides the ultimate peace of mind as we promise that any breakdowns or problems will be attended to within 24 hours, 365 days a year. With annual memberships starting from just £5.13 a month, knowing you're in safe hands doesn't need to cost the earth. We have three membership options to choose from and the ability to create bespoke memberships tailored to you.
